Marong Primary School

Respect | Responsibility | Honesty

SCHOOL NEWSLETTER

August 28th, 2026 – Issue 27

SCHOOL VALUES

Achievement – (striving for our personal best) encompassing excellence, growth, aspiration, persistence, resilience, confidence, effort

Belonging – (making everyone feel safe, valued and included) community, teamwork, inclusion, cultural safety, acceptance, friendship

Respect – (treating ourselves, others and the environment with care and respect) courtesy, gratitude, kindness, empathy, compassion, tolerance

Responsibility – (taking ownership for our actions) accountability, integrity, reliability, leadership, courage, initiative, trustworthiness

On behalf of the students of Marong Primary School, we would like to respectfully acknowledge the Dja Dja Wurrung as the traditional owners of the land and pay our respects to elders past and present. We are grateful to learn, play and grow surrounded by the plants, animals & waterways that the Djaara people have watched over and cared for, over thousands of years.

FROM THE PRINCIPAL

BOOK WEEK SUCCESS

We've had great fun celebrating Book Week. Thank you to families for supporting this by organising costumes on Monday and attending the Book Fair. This raises funds for books for our library. A huge thanks to Christine who coordinated the activities on Monday, organised the awesome show bags and ran the Book Fair.

CAMPS

We have camps coming up for year 5/6 at the end of this term and 3/4 at the beginning of next term. Camps are an extra curricula activity provided for students to experience time away from home, and to challenge themselves with new activities. You are welcome to pay off camps at any stage with payment plans to assist families.

UNIFORM

A reminder school council have updated our School Dress Code policy. As we get a hint of warmer weather please ensure your child is in the correct uniform with the key change being the length of shorts/bike shorts.

Marong Primary School

DATES FOR AUGUST

- Wednesday 2nd Sept – Father's Day/Special Person's Day stall
- Friday 4th Sept – Year 1/2 Excursion
- Monday 7th Sept – Footy Colours Day

PRINCIPALS AWARD

CHILD SAFE MESSAGE
Victorian government schools do NOT tolerate any form of racism.

CHILD SAFETY NOTICE

We would like to make our school community aware that there have recently been several instances of an unfamiliar individual walking and loitering near the school and in surrounding community spaces. In some cases, children have reported being approached and engaged in conversation by this individual.

At this stage, there is no indication of any direct threat to students; however, we believe it is important to keep families informed and remind children about personal safety strategies. The school has reported these incidents to Victoria Police, who have been made aware of the situation and are providing guidance as required.

We encourage families to take this opportunity to discuss stranger safety with their children, including:

Staying with friends and trusted adults when travelling to and from school as well as around the community.

Avoiding conversations with unfamiliar adults unless assistance is required in an emergency.

Reporting any interaction that makes them feel uncomfortable to a parent, carer, teacher or other trusted adult.

Moving to a safe place and seeking help if they ever feel unsafe.

We also ask all members of our community to remain vigilant. If you observe suspicious behaviour, individuals loitering around the school/community spaces, or any activity that causes concern, please contact Victoria Police immediately by dialling **000**.

The safety and wellbeing of our students remains our highest priority. We will continue to work closely with Victoria Police and will provide further information to families if required.

Thank you for your support in helping to keep our school community safe.

PFA NEWS

FATHER'S DAY / SPECIAL PERSON'S DAY STALL

Our super PFA group are running this stall next Wednesday. Can you get the extra details off Trudy please

SCHOOL COUNCIL

COMING SOON – BOOK PACK 2027 ORDERING WILL OPEN

Staff are finalising student book pack details for 2027 and ordering of these will open soon giving families maximum amount of time to order book packs for next year. This pack will have everything your child will need for the year including their books, stationary, headphones etc.,

GRADE PREP

What we achieved this week!

What a wonderful start to the week with our Book Week Dress Up Parade and activities. There were some wonderful outfits. A huge thank you to families for joining in on the fun!

In Soundwrite we have introduced the sound /sh/ that is made up of 2 consonants. A few examples of words that students will look at are 'shop', 'fish' and 'mash'.

In Reading we are looking at the reading strategy 'chunky monkey'. Looking at words where we can chunk sounds together to make it easier to read the whole word.

In Writing we are learning to write an information report. We are looking at the topic of cats and writing everything we know about them. Including what they look like, what they eat and where they live.

In Maths we are looking at sequencing events that happen throughout a day or in a week. We have been discussing what each student's morning may look like before they get to school and what happens at night. Students are able to discuss and sequence our day at school by using our visual timetables.

In Integrated this week we discussed what is the difference between a natural and built resource in our community. We looked at playgrounds and buildings being built and the creek being a natural resource in our community and we can identify these resources in other communities. Jess, Mrs Cook, Miss Wilson, Cayla and Fraser.

GRADE 1/2

What we achieved this week!

On Monday, we saw many **AMAZING** dress-ups for Book Week. We were very lucky to have our Book Week rotations, where we read the shortlisted books and participated in some fun activities. In Sounds-Write this week, Miss Thorn and Hayley's class continued to build CCVCC and CCCVC words such as *drank*, *grand*, *plank* and *crank*. Miss Williams' class focused on the /u/ sound and its three spellings: **u**, **ou** and **o**. Mr Riordan's group looked at the /oe/ sound and its seven spellings: **oe**, **o-e**, **ow**, **oa**, **ou**, **ough** and **o**. In Writing this week, we continued to explore the text *Migaloo and the White Whale*. We looked at using the conjunction **and** to join the who/what and what doing together to form a sentence. Later in the week, we looked at expanding sentences to make them more exciting for the reader. We focused on including the **when**, **who/what**, **what doing** and **why**. In Maths this week, we continued working on division. We looked at problem pairs, equal sharing, what division looks like and how to represent these using division equations. In Integrated this week, we **FINALLY** started designing our mini beast habitats! Students have been waiting all term for this, and we saw some amazing ideas! Next week, we will begin creating our habitat designs. If you have any tissue boxes or similar-sized boxes at home, please bring them into school. We would greatly appreciate them for our mini beast habitat project!

Reminder:

Next week Friday the 4th of September we are heading to Kyabram Wildlife Fauna Park! We are really looking forward to this day out!

Have a great weekend 😊

Mr Riordan, Miss Thorn, Hayley, Miss Williams, Brandi, Jai, Jobe, Toby and Tamina.

GRADE 3/4

What we achieved this week!

Week 7 has been a very exciting week, starting with our Book Week dress-up day! Thank you to all the families who got involved and helped make the day so much fun. A big thank you also to everyone who visited our Book Fair. We hope you found some great books to enjoy! A huge shout-out to Christine for organising such a successful Book Week and Book Fair. Your hard work and effort are very much appreciated!

In Literacy this week, we have started writing a persuasive piece about whether robots should or shouldn't do our chores. We have been working hard to share our opinions and produce strong reasons to support our ideas. We have also continued reading *The Wild Robot* and enjoyed some partner reading while learning about soil.

In Mathematics, we have been learning all about decimals! We have explored tenths and hundredths and practised representing decimals using decimal grids, tenths grids and hundredths grids. We have enjoyed finding different ways to show and understand decimals.

Please make sure you have signed both permission forms for our excursion coming up this term and camp next term. We have so many exciting things coming up, and we can't wait!

Leigh, Moyra, Shayla, Charli, Christine and Jimmy

GRADE 3/4

HOPE & ACTION

Sustainability Education Day

September
9, 2026

Grade 3/4 Excursion – Garden for the Future

As part of our study of *The Wild Robot* and our focus on sustainability, the Grade 3/4 students will be visiting the **Garden for the Future** in White Hills on **Wednesday 9th September**.

Students will travel by bus, departing school at **9:15 am** and returning by **3:00 pm**. Throughout the day, they will participate in a variety of engaging sustainability experiences, including a **Welcome to Country**, environmental theatre and interactive workshops delivered by local organisations.

Students are required to wear full school uniform and bring their lunch, snacks, hat and water bottle in a backpack.

The excursion cost is **\$5.00**. Please complete the **Sentral permission and payment** before the excursion.

We look forward to a fun and educational day of hands-on learning!

SUPPORTED BY

GRADE 5/6

What we achieved this week!

It has been another fantastic week of learning in Grade 5/6, with students continuing to build their knowledge and skills across Literacy and Numeracy.

In Literacy, we continued our class novel study of *Wonder* by R.J. Palacio. Students have been developing their ability to think deeply about characters, events and themes and use evidence from the text to support their ideas. This week, we focused on writing analytical paragraphs using the PEEL structure – Point, Evidence, Explain and Link. Students worked on making a clear point, selecting relevant evidence from *Wonder*, explaining how the evidence supports their thinking and linking their ideas back to a key theme.

We also continued our spelling and morphology work, investigating how prefixes, root words and suffixes contribute to the meaning and spelling of words. Students enjoyed breaking words into their different parts and making connections with other words that share the same morphemes.

In Numeracy, students continued to make great progress with our Pizza Box Cities project. We worked on the final stages of our city designs, including planning and incorporating green spaces into our future cities. Students considered how parks, gardens and other green areas can contribute to a healthy and liveable community. We also developed our understanding of coordinates and the Cartesian plane, learning how to accurately locate and describe positions using ordered pairs. Students explored positive and negative numbers and applied this knowledge to their city designs, helping them to accurately position different features within their plans.

It has been wonderful to see students taking ownership of their learning and using their creativity and problem-solving skills throughout our Pizza Box Cities project. Their cities are really starting to come together, and we look forward to seeing the final designs completed!

Gr 3/ 4 Camp Kookaburra

Dear Parents and Guardians,

This year our grade 3/ 4 students will be attending a three-day camp at Camp Kookaburra, Corop.

Please find an overview of the camp information below.

Who: Grade 3/ 4 students

What: Grade 3/4 Camp

Where: Camp Kookaburra, Corop

When: Dates: Wednesday 21st – Friday 23rd October

Cost: \$325 per student (\$50 deposit) via the OKR app

Full payment to be made by 15th October. Parents may still have credit from SSB and CSEF to allocate towards camp. Please see the office staff for further information regarding full or part payments.

Activities: Students will participate in bouldering, flying fox, giant swing, initiatives course, archery, low ropes course, canoeing and orienteering.

What to bring (please see attachment):

- BYO own lunch & snacks on Day 1
- Students are required to bring their own bedding eg: pillow, sleeping bag, bottom sheet to use under your sleeping bag (compulsory)

Medications/ dietary: A separate medical information form will be required to be completed prior to the camp. Medications can be given to a designated teacher on the day of departure.

Kind regards,

Grade 3/ 4 staff

Camp Kookaburra

Making Lifelong Memories

STUDENT OF THE WEEK

Grade Prep – Jess

Lotte R - Lotte has impressed us with her reading and writing this week. She has really improved her focus and concentration when completing her independent writing tasks. She is writing more sentences and unknown words which is great to see. Super effort Lotte, we are very proud of you!

Grade Prep – Mrs Cook

Maisie F - Maisie has had a fabulous week across all areas of her learning! In writing, she has developed a strong understanding of the features of an information report and impressed us with the wonderful facts she wrote about cats. Maisie consistently demonstrates all of our school values and is a valued and respected member of our class. Keep up the amazing work, Maisie - you are a true SUPERSTAR!

Grade 1/2 Williams

Mila H - Mila could be Student of the Week every week. She is kind, helpful and works incredibly hard in everything she does. She consistently follows our school and classroom values and is a great leader for her peers. Amazing work Mila. Keep it up!

Grade 1/2 Riordan

Adalie F - For demonstrating all of our school values this week. Adalie is always a wonderful role model in our classroom. She listens, asks questions and always puts in her best effort to her learning. Well done on a wonderful week, Adalie.

Grade 1/2 Thorn and Hayley

Mia M - Mia is a kind and caring member of our class who always looks out for others. She tries her best with all of her work and approaches every task with a positive attitude. We are so proud of her effort and the way she brightens our classroom each day.

STUDENT OF THE WEEK

Grade 3/4 Miss O

Oscar N - Oscar has been a brilliant help to Christine during the execution and preparation for book week. He has donated his time to set up and pack up additional activities as well as completing all classroom tasks. He is a stand out in all areas, well done Oscar!

Grade 3/4 Westcott

Charlie K - Charlie has shown great enthusiasm for participating in class discussions, consistently completing his work and demonstrating respect towards all students across the grade. He should be particularly proud of the high standard of his persuasive letter. Well done, Charlie!

Grade 3/4 Lamb

Dane J - Dane has had a fantastic week! He has worked really hard on his persuasive writing about why robots shouldn't do our chores and did a great job sharing his ideas. Dane has also been joining in lots of our Maths discussions and has shown a great understanding of decimals. Well done, Dane! We are so proud of the effort you have put in this week. Keep up the great work!

Grade 5/6 Johnstone

Alby T - I have been really impressed with Alby lately. He has been applying himself across all areas of his learning, especially during his **Sustainable City** project. Alby has worked independently, applied his new knowledge, and produced some fantastic work. Keep up the great work, Alby!

Grade 5/6 Fry

Laura W - Laura has been a fantastic support to others in our classroom this week. She is always willing to help her classmates with their learning and encourages others to do their best. Laura is a wonderful role model for others, demonstrating kindness, patience and a positive attitude towards learning. Keep up the fantastic work, Laura!

Grade 5/6 Burton

Chasdiel R - Chasdiel could be Student of the Week every week! She consistently gives her best effort in class and takes pride in producing high-quality work. I have been particularly impressed by her sustainable city, which is carefully planned, incredibly neat and demonstrates her impressive mathematical skills. Great work, Chasdiel!
