

FOUR CRITICAL ACTIONS FOR SCHOOLS

Responding to Incidents, Disclosures and Suspensions of Child Abuse

1 RESPONDING TO AN EMERGENCY

If there is no risk of immediate harm go to Action 2.

If a child is at immediate risk of harm you must ensure their safety by:

- separating alleged victims and others involved
- administering first aid
- calling 000 for urgent medical and/or police assistance to respond to immediate health or safety concerns
- identifying a contact person at the school for future liaison with Police.

Where necessary you may also need to maintain the integrity of the potential crime scene and preserve evidence.

2 REPORTING TO AUTHORITIES / REFERRING TO SERVICES

As soon as immediate health and safety concerns are addressed you must report all incidents, suspicions and disclosures of child abuse as soon as possible. Failure to report physical and sexual child abuse may amount to a criminal offence.

Q: Where does the source of suspected abuse come from?

OTHER CONCERNS

If you believe that a child is not subject to abuse, but you still hold significant concerns for their wellbeing you must still act. This may include making a referral or seeking advice from:

- Child FIRST/The Orange Door (in circumstances where the family are open to receiving support)
- DHHS Child Protection
- Victoria Police.

For suspected student sexual assault, please follow the Four Critical Actions: Student Sexual Offending.

YOU MUST TAKE ACTION

- You must act, by following the Four Critical Actions, as soon as you witness an incident, receive a disclosure or form a reasonable belief* that a child has, or is at risk of being abused.

*A reasonable belief is a deliberately low threshold. This enables authorities to investigate and take action.

As a school staff member, you play a critical role in protecting children in your care.

- You must act if you form a suspicion/ reasonable belief, even if you are unsure and have not directly observed child abuse (e.g. if the victim or another person tells you about the abuse).

- It is strongly recommended that you use the Responding to Suspected Child Abuse template to keep clear and comprehensive notes, even if you make a decision not to report.

4 PROVIDING ONGOING SUPPORT

Your school must provide support for children impacted by abuse. This should include the development of a Student Support Plan in consultation with wellbeing professionals. This is an essential part of your duty of care requirements.

Strategies may include development of a safety plan, direct support and referral to wellbeing professionals and support.

You must follow the Four Critical Actions every time you become aware of a further instance or risk of abuse. This includes reporting new information to authorities.

3 CONTACTING PARENTS/CARERS

Your principal must consult with DHHS Child Protection or Victoria Police to determine what information can be shared with parents/carers. They may advise:

- **not to contact the parents/carer** (e.g. in circumstances where the parents are alleged to have engaged in the abuse, or the child is a mature minor and does not wish for their parent/carer to be contacted)
- **to contact the parents/carers and provide agreed information** (this must be done as soon as possible, preferably on the same day of the incident, disclosure or suspicion)
- **how to communicate with all relevant parties with consideration for their safety.**
