Acknowledgement of Country

*On behalf of the staff and students of Marong Primary School, we would like to acknowledge the Dja Dja Wurrung as the Traditional Custodians of the land that we are on and pay our respects to their Elders past and present. We are grateful to learn, play, and grow, surrounded by the **plants, animals & waterways** that the Djaara people have watched over and cared for, over thousands of years.*

Dear Parents and Guardians,

End of Term 2 – TODAY

A reminder term two ends Today, Friday July 4th. Students will be dismissed at 2:30pm.

Term 3 will begin Monday 21st July.

Have a safe term break.

On behalf of our school, I would like to wish all our wonderful families a safe and happy school term break. This term has been longer than usual, and I am sure our students (and teachers) are looking forward to a much-deserved break from their classroom routine. Whether you are managing to get away on a holiday or having a 'staycation' here in Marong, I do hope our families can spend some quality time together and enjoy the term break.

Reports on SENTRAL

Your child's semester one academic report is now via the parent portal SENTRAL app. A hard copy of the report can be made available upon request. Parents and teachers will have an opportunity to discuss the reports at our Parent Teacher Conferences early next term. Bookings for these conferences will once again be made available via the parent SENTRAL app early term 3 also.

Term 3 Staffing

We have two staff members taking long service leave for the duration of term 3. Moyra O'Donoghue and Corbin Stacey have decided to escape the cold weather and spend some time travelling overseas. We give our very best wishes to both Moyra and Corbin for safe and fun filled adventures and look forward to having them return in term 4.

Mrs Maher and Mrs Eaton will be covering the grade 6 classroom during Miss O's absence. Fraser Stewart will be backfilling our tutoring role for the term while Mrs Maher is in the classroom.

A recruitment process is in place to cover Mr Stacey. We will announce the successful applicant once this process has been completed.

Deep engagement partnership

For the past 18 months our school has been working with Kerry Carman (Education Improvement Leader, from regional office) with a focus on deep engagement processes for inclusion practices. This partnership will now conclude as term 2 ends. I would like to express my gratitude to Kerry for her support, advice and commitment to our students and staff over this time and the sustainable impact she will leave in our classrooms.

Foundation 2026 (repeat notice)

Foundation enrolments for 2026 are **due by Friday 25th July** (week 1 term 3). If you are wishing to enrol your child, please do so by this date to allow our school to begin planning for 2026 appropriately. Likewise, if you know someone who is wanting to enrol a child at our school, please encourage them to do so by the above date. For further information, please contact the school or alternatively at the following link.

Grade Prep & 1

What busy semester it has been. Well done to all our amazing Foundation students for an amazing first semester at school. You have all earned a well-earned break.

In literacy this week, students have been busily reading, practising their letters and sounds when reading. We have reviewed our reading strategies and continued using our reading strategies to support their reading. We have loved seeing the amazing reading happening across all four classrooms. Remember to keep up the reading over the holidays. The more practise at home, the better your reading will be.

In Sounds-Write, students have continued working on learnt units. Our Foundation students have been learning about the VCC and CVCC - 2 consonants in the final position 3 & 4 sound words: Students have been building words like elm, best, desk, help, kept and left. Our Grade One students have finished their unit on the /oo/ sound and the different spelling combinations that can make this sound – these include /ew/, /ue/, u_e/ /o/.

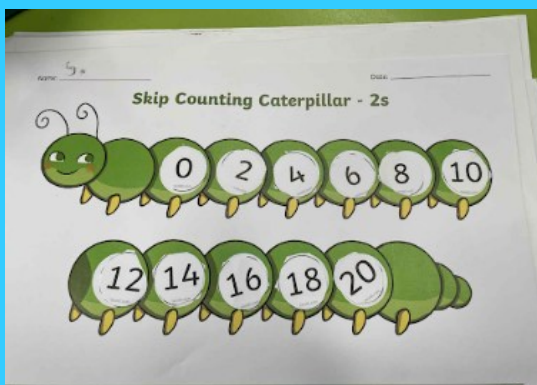

When writing, students have been learning to use finger spaces and add simple punctuation to their writing. We have seen great confidence for all students in their writing, having a go at writing simple sentences and unknown words. Students loved watching the movie 'The Magic Beach' in the PAC this week. They even got some popcorn to snack on during the movie. We have been loving reading and writing about a whole range of Alison Lester books.

In Numeracy this week, students have learnt about directional language, using words like next to, above, behind and around. Students loved making their own treasure Island and using and following directions to their own treasure. Students have also learnt about ordinal numbers and money. Students enjoyed learning about the different coins and the values they hold.

Well done to everyone for a great first semester of learning. We look forward to seeing everyone back after the holidays.

Have a wonderful break,

Miss Maddern, Miss Williams, Mrs. Cook, Jess, Mr. Riordan, Christine, Jai, Hayley, Brandi and Seb

Grade 2/3

As part of our integrated topic on China, the Grade 2/3s enjoyed an amazing day on excursion to the Chinese Museum, Rosalind Park, and the Lake Weeroona playground. Throughout the day, students demonstrated our school values, respect by listening carefully to the tour guides and following museum rules, responsibility by taking care of themselves and their belongings, and honesty by handing in lost items rather than keeping them. Back at school, students wrote recounts of their day and enjoyed watching a slideshow of photos from the excursion.

In Maths this week, students learned how to use a calendar to calculate the number of days, weeks, and months between two given dates. As a warm-up, they practised their times tables through Dodging Tables and showcased their estimation skills during an esti-mystery challenge called The Top on the Tops. Students experienced success by using clues to make reasonable estimates and applying number sense strategies such as place value, comparing, and skip counting. They also worked on explaining their thinking and reasoning behind each estimate.

We wish everyone a safe and happy holiday break.

2/ 3 Team

THE CHINESE MUSEUM

By Ivy and Ashlyn 2025
3/7/25

On Wednesday grade 2/3 went to the Chinese Museum in Bendigo on the bus.

First, we had a snack in Rosiland Park. I had watermelon to eat and watched the bats.

Next, we went to the Chinese museum and saw the tour guides. Their names were Leigh and Hugo. We went to the garden to see the fish and temple.

After that we went inside and saw the dragons and some statues made out of wax. Out of me and the wax statues, I won the staring contest against it.

I had a good day and the best part was looking at the fish.

Keeping Our School Clean – House Tidy Count!

Our Junior School Council (JSC) representatives have been busy helping to keep our school looking great! Before lunch this week, they walked around the yard to count the number of rubbish items in each house area. The results were as follows:

Phillips – 42 pieces

Brennan – 40 pieces

Barling – 32 pieces

Jeffrey – 28 pieces

Well done to Jeffrey House for having the tidiest area this week!

After the results were announced, the entire school joined in for a big emu bob to help clean up our yard. Thanks to everyone's efforts, the amount of rubbish dropped from 142 pieces to just 3! Our JSC reps were thrilled with the result and proud of how our school community came together to make a difference.

Let's keep working together to care for our school environment, every little bit helps!
