Parent/Guardian Matrix

Marong Primary School
RESPECT RESPONSIBILITY HONESTY

Whole School Rules	School Community Visits (Office, Classroom, Volunteering, Assembly, Special Days, Sports, Performances)	Face-to-Face/Digital Communication	Home
Respect			
- **Respect yourself** - **Respect others** - **Respect property**	- Model respectful behaviours towards all members of the community when attending school community events. - Respect all students' unique ways of participating and engaging with learning. - Build connections, positivity and interest with the school.	- Communicate in a kind, attentive and respectful manner at all times to members of our school community. - Model positive interactions to all members of the school community. - Model positive digital citizenship behaviours.	- Encourage your child to represent the school values when they are at school. - Respect the school rules and encourage your child to do so. - Support your child/ren to look after school property and grounds such as care for library books and dispose of rubbish.
Responsibility			
- **Be responsible for your learning** - **Be responsible for your actions** - **Be responsible for everyone's safety**	- Make your best effort to be connected and responsible for your child/ren's learning. - Model responsibility, resilience and problem solving skills to all members of our school community. - Be responsible and safe when arriving, attending or leaving school. Address safety concerns to the office/teacher.	- Contribute to your child's learning by checking Sentral regularly (forms, newsletter, notices, events), pay extra curricula fees, keep contact details up to date and sign in/out your child/ren at the office. - Be familiar with and adhere to the school's Communication Policy (link) and ICT User Agreement. - Report safety concerns in a timely manner.	- Commit to attendance and punctuality and attend to your child's health and wellbeing needs. . - Support and promote the school's values and processes. - Demonstrate openness and model inclusiveness for all families in our school and broader community.
Honesty			
- **Be honest in your schoolwork** - **Be honest in and outside of class.** - **Be honest to yourself and others**	- Be open with any concerns, feedback or opinions politely. - Seek/offer help to the school community. - Be honest about your actions and how they impact the school community and your children.	- Acknowledge mistakes and reflect on your interactions within the school. - Open communication. Be willing to discuss matters in a friendly, positive and professional manner. - Support your child/ren's development with communication skills.	- Talk to the students in our community in a positive and encouraging way regarding school. - Support teachers by helping with passing on messages/reminders, readers, school values etc. - Take time to reflect on how you can support your child's well-being and learning.

- If working with or supporting students, parents/carers need to obtain a Working with Children's Check (WCC) and declare at the office.
